FREEDOM'S PLOW

an excerpt
Langston Hughes

A long time ago,
An enslaved people heading toward freedom
Made up a song:
Keep your hand on the plow! Hold on!

That plow plowed a new furrow
Across the field of history.
Unto that furrow the freedom seed was dropped.
From that seed a tree grew, is growing, will ever
grow.
That tree is for everybody,
For all America, for all the world.
May its branches spread and its shelter grow.
Until all races and all peoples know its shade.

KEEP YOUR HAND ON THE PLOW! HOLD ON!

This is my prayer, my hope
for each member of the class of '85.

Sister Pat

... And a good time was had by all.

Maria and her date get into it.
